

**“I keep meaning to buy Scrip more often...
but I just never get around to it.”**

Does this sound like you? How would you like an **EASY** way to get in the habit of buying Scrip on a regular basis?

Try “Recurring Scrip Orders”!

- Now you can **set up recurring orders for your regularly used gift cards (eg. groceries) through your on-line bill payment service** (just as you would with your mortgage payment).
- Set it up once and everything is done automatically! You don't have to remember to send in an order form or write a check each time. You can choose to have your order come in monthly, every 2 weeks, weekly... however often you want to receive your Scrip gift cards!
- You can designate which school(s) you want your profits to go towards and can even alternate between schools if you prefer!
- You can make changes to your order whenever you wish as well.

Join other Medfield parents who have discovered the ***easiest way to get into the Scrip habit!*** ... And just think about how much the schools would benefit if more parents bought Scrip on a regular basis!
